ADVERTISING

To Mrs. McKensie:

As a token of our appreciation of her loyalty and interests are one with ours, whose friendship is ever genuine, whose patience is endless and whose sympathy is sincere, and whose unstinted service and loyalty are ever an inspiration, we dedicate the 1958 Eagle.

THESE 12 years in Ropes High School have been full years- years full of activities, joys and disappointments, excitement and discouragements; through all, however, has run a continuous strain of happiness that has made a rich imprint upon our lives.

We have earnestly endeavored to present a pictorial history of highlights of the year's activities in these pages of the 1958 EAGLE.

Now, we, not without some feeling of reluctance, prepare to go. Others come forward to take the places that we have held as citizens of Ropes.

We travel farther on in our journey of life, or we pass on down the road of time.

We know that the feeling is great
To be a brand new graduate
Of the brilliant class of '58
Tho we can't forecast this class
fate,
Present sources indicate
The many new trends it will
instigate from new Satellites
it may elevate to space ship
landings it may originate.
For the present as you exhilarate,
Piggly Wiggly wishes to
congratulate
The entire class of '58.
